14 - 15 FEBRUARY 2025 - INTERCONTINENTAL HOTEL, JEDDAH, KSA

Saudi German Hospital
Caring like family

Welcome Message

Dear Friends and Colleagues,

Welcome to the Saudi German Hospital Arthroplasty Conference, a premier gathering focused on Hip, Knee, and Shoulder Arthroplasty, including primary surgeries, revisions, and complication management. Taking place on 14-15 February 2025 at the prestigious Intercontinental Jeddah Hotel, this event is set to be a cornerstone for advancements in the field.

Join leading experts, surgeons, and researchers from around the world as they share insights into the latest innovations, best practices, and complex case management. Over two days, attendees will engage in enriching discussions and networking opportunities designed to elevate their expertise and impact.

We look forward to welcoming you to Jeddah for an unforgettable experience!

Sincerely,

Khalid Batterjee
Conference Honorary President

Fadel Abdeen
Conference Chairman

Key Tracks & Topics

The Conference focuses on three key areas of arthroplasty:

Hip, Knee, and Shoulder. Each track is designed to explore cutting-edge advancements, innovative techniques, and solutions for complications in joint replacement surgeries.

Total Hip Replacement (THR) Topics

- THR Templating and Stability
- Hip Dysplasia and Complex Arthroplasty
- Recent Guidelines in Periprosthetic Infection
- Robotic Surgery in Hip Arthroplasty

Total Knee Replacement (TKR) Topics

- Importance of Entrance Hole and Mid-Flexion Instability
- Uni-Compartmental Knee Replacement and Gap Balancing
- Diagnosis and Management of Knee Periprosthetic Joint Infection (PJI)
- Robotic Knee Replacement and Revision Techniques

Shoulder Arthroplasty Topics

- Reverse vs Anatomical Arthroplasty
- Complications and Biomechanics in Shoulder Surgery
- Best Practices and Tips for Avoiding Complications

Quick Facts

About Kingdom of Saudi Arabia (KSA)

Saudi Arabia is a nation where heritage and innovation converge. As a global leader in medical advancements and healthcare innovation, it offers an ideal setting for international medical events like this conference.

About Jeddah

A vibrant city along the Red Sea coast, Jeddah is known for its rich history, modern infrastructure, and iconic landmarks like Al-Balad, a UNESCO World Heritage Site. Its unique blend of tradition and modernity ensures an unforgettable experience for all visitors.

About Saudi German Hospital (SGH)

Saudi German Hospital is a leader in healthcare, renowned for its excellence in patient care and innovation. It has received several prestigious awards:

- Gold Level – Grand Hospital Award (IHF, 2022)

Recognized for outstanding healthcare delivery, including quality, patient experience, and workforce wellbeing.

- Excellency in Quality and Patient Safety (IHF, 2022) :

Honored for its integrated quality management model prioritizing patient safety and continuous improvement.

- Bronze Level – Excellence in Healthcare Workers' Wellbeing (AHA, 2023) :

Acknowledged for its national strategy to boost healthcare workers' morale.

SGH is also ranked among the World's Best Hospitals in 2024.

Conference Language

The official language of the conference is English. Simultaneous translation services will not be provided.

Specialties That Should Attend

This conference is open to a diverse group of healthcare professionals, including:

Orthopedic Surgery

General Practice

General Surgery

Physical Medicine and Rehabilitation

Hip and Knee Arthroplasty Surgery

Hand and Wrist Surgery

Nursing

Clinical Pharmacy

Pharmacy

Physiotherapy

Physiotherapy – Musculoskeletal

Physiotherapy – Sport Physical Therapy

Occupational Therapy

Participants of all experience levels will benefit from the latest updates and expert discussions in arthroplasty.
